

## TROPHIES OF THE BALL

Miss Melissa Payne Wins the Marshal's Regalia.

### FIRE AT SHAW UNIVERSITY

A Petition to Governor Aycock to Commute the Sentence of Tom Love.

(Special to The Times-Dispatch.)

RALEIGH, N. C., October 22.—A big mining enterprise, the Handolph Consolidated Gold and Copper Mines Company, of Greensboro, was chartered this morning in the office of the Secretary of State, the incorporators being W. B. Steele, John Parlow, J. L. Moore. The capital stock is \$100,000 authorized and \$25,000 subscribed.

The Catawba Presbytery, colored, in session here the past three days, has decided to put a synodical evangelist in the field and authorized the Missions Committee to employ one to be supported by the presbytery.

At the marshal's ball last night, closing the great State Fair, Miss Melissa Payne, of Norfolk, Va., received the regalia of the chief marshal, J. F. Taylor, of Washington. The assistant marshal presented their chief with a handsome gold watch. Miss Mary Thompson received the rosette of Secretary Joseph E. Pogue and Miss Mary Andrews, of Raleigh, the handsome badge of Treasurer Benson.

Counsel for the Seaboard Air Line and the Wake County Commissioners have found it impossible to reach any compromise in the suit pending before the Corporation Commission, involving the Loudsboro road, crossing near Raleigh, and the case is to be set for a hearing very soon. It is an effort to force the Seaboard Air Line to change from a grade to either an underground or overhead crossing.

It is learned here that a petition is being gotten up for presentation to Governor Aycock asking him to commute the sentence of Tom Love from death to life imprisonment. He was convicted of burglary in the first degree. The plea for the commutation is that Love is not of sound mind.

Fire was discovered in one of the dormitories of Shaw University here last night, but was extinguished before any serious damage was done.

### GAME AT BLACKSBURG.

William and Mary Plays Well, But Fails to Score.

(Special to The Times-Dispatch.)

BLACKSBURG, VA., October 22.—The William and Mary football team gave Virginia Military Institute the best game to-day she has had this season. The visitors are very light, but their team work was excellent, and they handled the ball well. The cadet team showed little or no improvement over their last game, and although they won from their opponents by the score of thirty to nothing, their fumble would have lost the game to a team in their class.

During the first half the visitors carried the ball through the Virginia Polytechnic Institute line to within eighteen yards of a touchdown. While the ball was so near to goal, William and Mary made two attempts at goal from field. The kick was blocked and they could not score. Blackinsion, Henley and Chapman were the best ground gainers for William and Mary, and Tillman and Lloyd were the best on the defensive. Wilson holds his record as being the surest man for Virginia Polytechnic Institute on the offensive, but his kicking was not up to the standard.

Virginia Polytechnic Institute is looking for her first hard game next Saturday, when she meets University of North Carolina here. It will be the first game with a team really in her class, and give a better indication of her strength than has been given in the earlier games.

### DEFAULTING CASHIER SURRENDERS HIMSELF

(By Associated Press.)

TULLAHOMA, TENN., October 22.—Alban Parker, defaulting cashier of the First National Bank, gave himself up to-day. He says he lost about \$35,000 of the bank's money in Chicago bucket shops.

Parker, in addition to his banking duties, was deputy revenue collector for the Tullahoma district. He handled large sums of money, and an examiner is now going over the government books.

### Schooner in Trouble.

(By Associated Press.)

ATLANTIC CITY, N. J., Oct. 22.—The schooner Willie Frank, Captain William P. Taylor, from Hampton, Va., for Bristol, R. I., with a cargo of lumber, went ashore to-day off Little Egg harbor, N. J. Part of her cargo was thrown off and an attempt made to float her, but it failed. It is expected that she will be floated at high tide to-night.

### OPERATIONS A FAD.

Public Gradually Awakens to the Fact.

The latest fad in operations has been the appendicitis fad; before that the fad for renal operations (piles, etc.) held sway. Hundreds of patients were frightened and hurried into hospitals, operated upon and robbed of their last dollar, when the trouble was a simple case of hemorrhoids or piles only, and cured at home with a simple remedy costing but fifty cents a box.

"I procured one fifty cent box of Pyramid Pile Cure of my druggist, with the intention of buying a larger box later, but was happily surprised when I found that I had been cured and still had six pyramids left out of the first and only box. I have not had the least sign of piles since I used the one box, which has been about two months; previous to using Pyramid Pile Cure I had the worst kind of bleeding and protruding piles for over thirty years, and no one knew except those who have had the piles, the pain and misery I suffered.

"I am a poor man, but have often said I would give a fortune, if I had it, to be cured of the piles, and now I have been cured for fifty cents. I should be very grateful if I did not thank you and give you every privilege to use my name and this letter, when I know there are so many who suffer as I did." J. A. Welschmiller, 1100 Bladenburg Road, Washington, D. C.

The Pyramid Drug Co., Marshall, Mich., publish a little book on the causes and cure of piles, which they will be glad to mail free to any applicant, and we advise all sufferers from this painful disease to write to them for it.

## MEETING OF VIRGINIA NORMAL COLLEGE

The Week's Entertainments—A Picnic at Lithia Springs.

(Special to The Times-Dispatch.)

STATE NORMAL SCHOOL, FARMVILLE, VA., Oct. 22.—The full meeting of the Virginia League took place in the Assembly Hall, Thursday morning, October 6th, at 9 o'clock, Miss Virginia Reynolds presiding. There was a very large attendance and fifty new names were added to the roll. The growth of the league, both in numbers and in usefulness, since its organization by Dr. Robert Frazer in 1890, has been most gratifying.

Any person connected with the administration, the faculty, the Society of Alumni, or the student body, may become a regular member by the payment of one dollar a year. Upon the payment of the same amount, any other person in sympathy with the purpose of the league may become an associate member.

The objects of this association are: "To found and maintain, by means of contributions, annual dues, and otherwise, an aid fund for helping those who are unable to attend the school; to conduct an education bureau as a means of free communication between trained teachers and school officials who desire the best teachers for their schools; and to promote, by whatever lawful means it may, the influence and usefulness of the State Female Normal School."

Ten young ladies have received loans from the aid fund; some of these loans have already been, and others are being paid back without interest, at the convenience of the beneficiaries after securing positions to teach. The league has had its fall, twice as many requests for help as can be granted, and has therefore determined to make a mighty effort to increase the fund by enlarging the membership.

There are few places, perhaps, where more faithful and steady work is done than at the Normal School. Relaxation in occasional social pleasures, therefore, is needed and welcomed. "October's bright blue weather" has, no doubt, been responsible for an unusual number of such delightful occasions.

The rector and congregation of Johns Memorial Church gave a delightful entertainment at the armory, Friday evening, October 7. The school-girls who attend the Episcopal Church and all members of the faculty were honored with invitations.

Mrs. Ellen Berkeley, assisted by her daughters, Mrs. R. Baxter Tugue, and Miss Robble Blair Berkeley, received the members of the faculty and a few other friends, on Friday evening, October 14, in honor of Miss Letitia M. Snow, Miss Eloise Harrison, and Miss Marie Whitling. A more joyous evening is seldom spent. Those present were President and Mrs. Jarman, Mr. and Mrs. Robert Berkeley, Mr. and Mrs. John M. Berkeley, of Leesburg, Mrs. Anne McKimney, Mrs. Fannie Hummreys, Miss Minnie V. Rice, Miss Martha W. Coulline, Miss Mary St. Clair Woodruff, Miss Elizabeth J. Freeborn, Miss Margaret W. Habbington, Miss Virginia Cox, Mr. Elmer E. Jones, Miss Lillie G. Winston, Miss Laura King Hill, Miss Annie L. Kinzer, Miss Lola London, Mr. J. Chester Mattoon, Miss Naylor Lancaster, Miss Clara F. Spelman, Miss Jennie Tabb, Misses Lulu and Allen Andrews, and Miss Eva Minor.

Mrs. Berkeley was further assisted by the charming young ladies, Misses Ruth Schmelz, Helen Leason, Frankie McKimney, Maud and Carrie Mason, who served the dainty supper, and who were the guests of the evening.

Six big wagons filled with guests took a jolly party of fifty girls to Willis's Mountain, Saturday, October 15, for a putting frolic. They were accompanied by Mr. B. M. Cox, Miss Virginia Reynolds, Mrs. Dr. C. H. Sears, Mr. E. Jones, and Mr. J. C. Mattoon.

On the same day, the Sunday School classes of Miss Virginia Reynolds and Miss S. Gay Patterson enjoyed a merry afternoon picnic at Lithia Springs.

COME TO-DAY and see the wonderful perfection attained in the "Burk Clothing." Note their superior excellence, see how well Men's Clothes can be made when talent shapes the cloth; behold the remarkable economies of the maker-to-wearer proposition—none of that "Ready-Made Look" about Burk-made Suits.
